

# Hope Secondary School End of Summer Newsletter

*"I will instruct you and teach you in the way you should go; I will counsel you with my eye upon you."*  
**Psalm 32:8**

*Dear friends and partners,*

We are excited to begin the 2017-2018 school year and share with you the good news of what God is doing through our ministry. We would love your prayers for staff and students that God's grace will continue to flood into their lives.

If you are able, we encourage you to print out the newsletter and share it with others who may be interested.

*News from the summer*

The final results from the 12th grade government exams (tawjihi) have come in -100% of our students passed. We are so proud of them, as this means that they will be able to go on to University.

This summer, we hosted a camp with around 40 children from the Bethlehem area attending. A small organization from Spain, Youth Wake Up, spent twenty days with us, helping with the summer camp.

We said goodbye to one SALT-er, and are welcoming another. We all miss Jameel, but are looking forward to working with Olivia.

We have also been busy and excited in preparing our classrooms and equipment for first grade. We expect 15 students to attend first grade, and have hired a well-trained and experienced teacher for this class.

*School Year 2017-2018*

This year, we are excited to have received many applications and students, as well as several new teachers into Hope School.

Everyone is looking forward to seeing our old boarders and welcoming new students into our boarding section. Living at Hope School means that students always receive three nutritious meals and snacks during the day, supervised recreation and study time, and of course a safe and comfortable place to sleep. This way, they have the opportunity to live in a stable, caring environment that will help them to excel in their studies. We do our best to accept into our boarding section the students who need it the most. This usually means students who have disabilities, are orphaned, or are especially impoverished.

*Thank you!*

We are grateful that you've taken the time to read this newsletter. We would love for you to contact us to learn more about Hope School and our mission.
